QUOTE OF THE MONTH

"Golf is a game that creates emotions that sometimes cannot be sustained with the club still in one's hand."

-Bobby Jones,
Professional Golfer

THE PRO'S VIEW:

Continuing our series on how to best manage your play at Monterey Pines Golf Course, this month our focus is on:

Hole #15 251 yards, Par 4

"This is a catch-up hole. It is a short par four that, when played the right way, should yield a "Birdie" to your game. For the adventuresome, who can hit the ball a long way, this hole offers the potential to drive the green and putt for an "Eagle".

"Everyone else should consider a three wood or long iron that will allow placement of the ball in the middle of the fairway. Avoid the newly reconstructed bunker that guards the front of the green and set up an easy pitch to the green."

"The green offers a straight putt from anywhere and, unless you're unlucky, you shouldn't need more than two putts to complete the hole."

Remember, have fun, play smart and (most of all) enjoy the game of golf! Join us again next month when we talk about how to approach hole number sixteen. Just one last quick reminder, when you finish playing a hole, please repair your ball marks and divots. Thanks! We look forward to seeing you on the course at Monterey Pines!

The Rules of Golf: Rule 17 The Flagstick

Definition:

The "flagstick" is a movable straight indicator, with or without bunting or other material attached, centered in the *hole* to show its position. It shall be circular in cross-section.

17-1. Flagstick Attended, Removed or Held Up

Before and during the *stroke*, the player may have the *flagstick* attended, removed or held up to indicate the position of the *hole*. This may be done only on the authority of the player before he plays his *stroke*.

If, prior to the *stroke*, the *flagstick* is attended, removed or held up by anyone with the player's knowledge and no objection is made, the player shall be deemed to have authorized it.

If anyone attends or holds up the *flagstick* or stands near the *hole* while a *stroke* is being played, he shall be deemed to be attending the *flagstick* until the ball comes to rest.

17-4. Ball Resting Against Flagstick

If the ball rests against the *flagstick* when it is in the *hole*, the player or another person authorized by him may move or remove the *flagstick* and if the ball falls into the *hole*, the player shall be deemed to have *holed* out with his last *stroke*; otherwise, the ball, if *moved*, shall be placed on the lip of the *hole*, without penalty.
